In the name of God, the Most Gracious, the Most Mercacious

It is my pleasure to welcome you to the introductory profile of Ourka Shipping Agencies, the ambitious national company established to provide agency services.

Maritime and according to a modern professional approach that puts the customer, safety, and operational precision at the core of attention.

We believe that quality of service begins with understanding the customer's needs, and continues with effective coordination, precise follow-up, and is measured by results and mutual trust. Therefore, we work on developing an operational system that benefits from digital tools, supports the speed of information exchange, limits delays, and provides a clearer vision for the path.

Our Works.

We look forward to Ourka becoming a trusted name in the maritime and logistics services sector in Libya, and to be an active partner for every entity searching for.

Efficiency, Flexibility, and Professional Responsibility.
